

NMLS:

The Nationwide Mortgage Licensing System (NMLS)* is the system of record for the registration of depositories, subsidiaries of depositories, and Mortgage Loan Originators (MLOs).

Consumers may search the NMLS Consumer Access database website <http://www.nmlsconsumeraccess.org/> free of charge for information regarding federal agency regulated institutions and their MLOs who are registered with NMLS. Access can be made by using a unique NMLS license identification number or by searching by name, company or location.
